Long Range Plan for the Fox River Trail:

The Brown County Planning Department is wrapping up their work on the Fox River Trail Plan and will be hosting a public meeting in December. We encourage everyone to attend.

The Friends group will announce the meeting specifics on our website and Facebook. This is your chance to provide input to help guide decisions on the Fox River Trail today and into the future.

Hope to see you there.

GIVING TUESDAY

GivingTuesday is December 3, 2024

GivingTuesday started as a simple idea of setting aside a day to make the world a better place by helping others. Please consider a donation to the Friends of the Fox River Trail at our website: www.friendsftrt.org. Funds received will be used to upgrade the trail.

The Friends have received a matching grant for GivingTuesday! A generous member has pledged to match all donations received between November 24 until December 7, 2024. Up to \$10,000.
