125th Anniversary!

WI State Parks are celebrating their 125th Anniversary in 2025. Go to the Friends of WI State Parks website, www.FWSP.org or <https://dnr.wisconsin.gov/topic/Parks> to find out more.

Do you have your 2025 Trail Pass?

Buy your 2025 State Recreational Trail Pass through Brown County Parks, [Purchase Now](#). Buying the passes locally means more of the fee stays in Brown County.

Passes are valid for all Wisconsin State Trails and are required for those 16 and over using wheels on the trail (bikes, rollerblades, skate devices)

Hope you made it to the grand event.

It's Almost Spring!

Thursday, February 6

At Cycling Brews

Everyone had a great time with the demonstrations and all-around good fellowship with other trail enthusiasts.

The raffle raised \$399 in donations for the trail upgrade fund. Raffle prizes donated by: PMI Entertainment Group, Brown County Parks, Green Bay Running Club, Bay Shore Bicycle Club, The Bike Hub, WE BIKE, etc., Cycling Brews, LedgeStone Vineyards, Heritage Hill State Park, and board members.

Sounds like this is going to be an annual event. Stay tuned for 2026.

Meet the 2025 FFRT board members at our next meeting.
