Trail Safety and Etiquette

BE PREDICTABLE

Travel on the right and pass on the left. *

Move in consistent patterns others can anticipate.

Signal with audible warning, "Passing on your left" or bell ring. *

Acknowledge others with a wave or "Thank you."

PRIORITIZE SAFETY

Stop and look both ways at all trail crossings. *

Maintain safe speeds up to 15 mph max when on a bicycle. *

Wear a helmet when riding a bicycle.

Yield to horses, and others when in doubt.

Stay aware of your surroundings at all times.

Enjoy the trail this Fall and **thank you** to all who use and support the Fox River Trail by purchasing state trail passes and/or donations to the FFRT.
