

March 2026 Newsletter

Friendsoffrt@yahoo.com [Facebook.com/FRTWI](https://www.facebook.com/FRTWI) www.friendsFRT.org

Our quarterly meetings are moving to the second floor of the **Mulva Cultural Center** at 221 S. Broadway in De Pere.

Our next meeting is Thursday, **April 23 from 6-8 pm.**

SAVE THE DATE

We are cohosting with WI PBS a documentary about how the WI railroad rails became our beloved trails, with a panel discussion afterwards. This is a **free** event open to everyone.

Join us on **Thursday, April 9,** from **6:30-8:30 pm** at the **Mulva Cultural Center** at 221 S. Broadway in De Pere.

Get your 2026 trail pass today by purchasing it online [here](#) or at a participating store.

Your Trail Pass Keeps the Trail Rolling

Trail passes are one of the most important sources of revenue. These funds go directly toward maintaining the trail we all love. Last year, **2,579 trail passes** were purchased. Every one of those purchases made a difference, and we need to keep that momentum going in 2026.

Do you have your 2026 trail pass? If not, pick one up at a participating store, at a kiosk on the trail (such as at Voyageur Park and off Heritage Road), or from Brown County Parks from their [website](#).

If you already have yours—thank you! Now think about the fellow trail users in your life and give them a nudge. A simple “hey, have you gotten your trail pass yet this year?” goes a long way towards keeping this trail in great shape for everyone.

Do you love taking pictures? The Fox River Trail is one of the most scenic stretches in the region — stunning sunrises over the water, bursts of fall color, wildlife that seems almost too photogenic for its own good — and we want to show it off. That's why we're launching a photo contest this spring! Your best shots will be featured on our website and social media, giving you serious bragging rights with every like and share. And when a newspaper or magazine comes calling (and they will), we'll have a ready-made collection of stunning photos ready. The best part? The top photos submitted throughout the year will be on display at our annual Rally for Spring event in February 2026, and prizes will be awarded to the winners. So, dust off that camera (or just point your phone), get out on the trail, and start shooting. Look for full contest details in our when we launch our new website this spring.
