

25TH ANNIVERSARY YEAR (2001 TO 2026)

Introducing Our New Logo

As part of the trail's 25th anniversary celebration, we are proud to unveil our updated logo. The new design reflects our commitment to this beloved community trail and the exciting future ahead as we work toward resurfacing and extending the payment.

A special thank you to Friend **Andy Hetzel** for creating the final design of our logo.

Look for our new logo on trail signage, printed materials and our updated website coming soon.

Trail Rangers on the Trail

You may notice Trail Rangers patrolling the Fox River Trail this season. They help ensure cyclists and rollerbladers have valid 2026 trail passes and enforce the 15-mph speed limit. Please carry your trail pass and be prepared to present it when asked.

25th Anniversary of the Fox River Trail Celebration

The Fox River Trail turns 25 years old and we're throwing a party on the path. Join us for a weekend of celebration. Stop by the event trailer to say hello, meet friends, grab a snack or beverage, pick up a small gift, and even purchase your trail pass. We'd love to see you out there!
